

CAFÉ NEWS

Changes in the Cafe

Look out for a number of changes in our café over the next few weeks, many of them starting on 8th March 2010.

These include:

Extended opening hours

As from 8th March the café will open 10 till 4pm, with last orders taken up till 4pm. This will give the opportunity for customers to drop in for a coffee/tea and a light snack. Also why not try our new range of afternoon cakes, victoria sponge, empire biscuits, cherry cake, oat cookies and lots more.

Closing later means mothers can visit with friends after picking the children up from school, or if you have a small business meeting and don't want to hire a venue, the Engine Shed is a great place to meet business associates over coffee, a light snack & cake.

Hot food/snacks including **soup & freshly made toasties** will be available from 11am.
(Toasties will be served all day)

New food menu

Feedback from customers has helped us revise our menu. Alongside the main organic vegetarian meals menu, we are now developing a range of light snacks including **toasties, vegetarian sausage rolls served with beans, pizza & various fillings for our organic baked potatoes.**

Aimed at kids & adults alike we want to give as much choice as possible. We want our snack menu to compliment our existing one and remain in the health side of eating out.
